COMMANDERS CORNER

Hello everyone,

I hope this is finding everyone well and safe.

It's starting to feel like spring; hopefully, we're done with old man winter. We had another busy month at the club, and I was glad to see a great turnout for the Membership Dinner. It was good to see everyone, and the food was awesome.

We still need to remind everyone that if you haven't sent in your membership renewal, please do it soon. This way, you can maintain your years of service.

Everyone should have received the letter regarding the land purchase by now. We are requesting donations to assist in funding this. Any contribution will help us reach that goal. If you have any questions about this, please reach out to us, and we will respond to them.

Please check the activities calendar for all the upcoming events this month. Our club is a lively place. Remember to thank the staff and volunteers for all their hard work in making this a wonderful place to visit.

Take care and be safe.

Paul Leeman, Commander

MANAGER'S CORNER

Hello Members!!

We are here. Springtime has arrived! We still have to deal with a bit of winter, but spring is definitely in the air. I want to thank those who have donated to the land purchase. We have a long way to go, but it sure is nice to start with a bang! Things are progressing with the land, and we are still set for a closing date of July 1st. I will try to keep everyone updated, but if you have any questions, you can always contact me.

April is gearing up to be a busy month. We have a few benefits planned and some fundraisers on the docket. We will be trying something new on Monday nights. We will have trivia at 7 pm every Monday with Dahl Entertainment. Each Monday features a new theme. So, if you like trivia, come on down to test your knowledge. It goes on until about 9 pm. There is one event that will not be happening this year: the Potato Dumpling Feed scheduled for the end of April. We just do not have enough young help to pull it off.

Make sure to keep the calendar in this newsletter close so you can keep up with all the events and activities happening at Post 21. Until next time, remember to always keep our troops and veterans in our prayers.

May God Bless You, and May God Bless America!

President's Corner

Spring has sprung!

With the nicer weather, more people are venturing out and about. This was true at our last Auxiliary meeting. What a great turnout we had, including 6 new members!! We wish our new members a warm welcome! Our next meeting is on April 7th at 6:00, and an Executive Committee meeting will be held at 5:30.

On March 16th, we had a wonderful Membership Dinner. It was the American Legion's 106th Birthday as well! Our Auxiliary members decorated and set the tables plated up the meals, and did all the cleanup afterwards. It all went smoothly, and there were about 102 people attending. We were excited to have the Department of MN Auxiliary President Judy Ackerman as our special guest and Bill Barbknecht the Department of MN NEC. It was touch and go for them to attend because of the weather, but of course, Spring in Minnesota is never predictable. The Blues served the meals to everyone at the tables, and Patty did a great job preparing the delicious meal. The Auxiliary presented President Judy with a \$250 check to go towards her President Project.

Scott gave a talk about the land that the Post wants to purchase behind the Post to the West. \$60,000.00 is needed for a down payment by July. There is a chart on the wall of the Post that shows the progress towards this goal. An amazing thing happened at the dinner! Our Auxiliary donated \$1,000 towards the land purchase, and then the Legion Family kept giving! The Legion Riders and the SAL also donated to the purchase !!! Along with the donation of a check, our Auxiliary is also donating the sales from the Pretzels and Ranch and the dessert sales! What an awesome family we have at our Post 21!

A special thank you to the members who help serve at the Pinochle tournament each month. This past month, we sponsored a Red Cross Blood Drive. It was a new experience for us. It actually went well. Thank you to our Auxiliary members that helped at the check-in table. Talking with Scott, we decided it could be a once-a-year project to help our community. Now that we know how to promote and set it up with the Red Cross, it could be a great Community Service project.

April is Children and Youth Month for the American Legion. The American Legion promotes programs that protect, care for, and support children and youth, particularly those of Veterans' and military families. One way to do this is to wear purple for Purple Up! Day on April 15th to show support to military kids. Purple is considered the color of military kids. At our next meeting in April we will have a presentation of the Military Child Table Ceremony. It represents the struggles in the life of a military child. We also award a \$500 Scholarship to a local High School Student Senior each May. Let us continue to recognize our youth in the community by increasing our donations and services with our Legion Family.

Back up a few days to March and we will be helping at the Post for Vietnam Veterans Day on March 28th. A meal will be served by Auxiliary members. I will let you know about how the event went in the next newsletter!

With the new season on its way, so is a new season for our Unit 21. With new members becoming involved this next "season" will be a rewarding and active time. Let's continue to get the word out to people eligible to become members and let them know what we are all about!

A friendly reminder..... next meeting April 7th I need to have committee reports and your volunteer hours so we can send in our annual report!!!

Barb Chamberlain, Unit 21 Auxiliary President

UNIT 21 AUXILIARY MEMBERSHIP

March was another great month for adding new members! Moorhead Unit 21 welcomes Jodi Miller, two transfers - Bonnie Miller, Rhonda Cottrell and Jennifer Scheett, and a new junior member, Serenity Scheett. These ladies helped us meet our 85% membership goal by March 15. Our next goal to work on is 95% by May 23, which means 20 more new or renewed memberships. We can do it!

In addition to recruiting new members, it's also crucial that we retain current members to ensure the future of our organization and help us carry out our mission to assist our veterans, their families, our youth and our community. Our membership year (July to July) is coming to a close in just 3½ months, and we still have several members who have not yet renewed. Please consider doing so soon – we need every one of you.

Here in Moorhead, we are fortunate to have a very active local Unit, but there's always room for more. Simply paying your annual dues goes a long way to help. In addition, depending on what involvement you prefer, there are also many activities and volunteer opportunities that come up throughout the year. It's a great way to meet people and make lasting friendships. If you haven't attended a meeting in awhile, stop by and see how you can help make a difference. We meet at the Legion at 6:00 the first Monday of the month from September through June. Our next meeting is April 7 - we would love to see you!

Happy Easter everyone!

Spring is definitely on its way, and the FM Legion Riders can't wait to get out riding.

We're still quite busy. Our March breakfast was a tremendous success, raising approximately \$6,500.00 for the Fargo Police Foundation to help them acquire two new police canines.

We also participated in the FM Crusaders Annual bike show, where we raffled off a mini bike. Our new little friend Kati was the big winner. It was lots of fun.

We were proud to attend the spring membership dinner for our American Legion Post 21. It's a tremendous honor to be a member of such an amazing organization.

Stay safe and please watch out for our motorcyclists who will be on the roads.

God bless:

Marc Simonet - Director/ Chaplain FM Legion Riders

The Color Guard had one event in March. We presented the Colors at the Membership Dinner.

American Legion Auxiliary Members, Sons of American Legion Members, or Legion Rider members are eligible to join the American Legion Melvin E. Hearl Post #21 Honor Guard, and we need you to volunteer. The Post provides a \$30 per event attended stipend to Honor Guard members.

As the Honor/Color Guard Commander, I coordinate with the Honor/Color Guard members to determine who is available for any event, which normally occurs between 10 AM and 4 PM, with an occasional evening event.

If you are interested in joining the Honor/Color Guard, please contact me by phone or text 701-261-7012.

Veterans Service Officer

Hello,

I just wanted to start this issue with a special thanks to all our Vietnam service members. Vietnam Veteran Welcome Home celebrations were all over the state, and we hope that you were able to attend as we express our gratitude for your service and sacrifices. Vietnam Veterans Day is officially recognized on March 29th each year, commemorating the day in 1973 when the last U.S. combat troops were withdrawn from Vietnam. The U.S. government established this day to specifically honor and recognize the sacrifices made by Vietnam War veterans. Vietnam Veterans Day focuses on those who served in the Vietnam War, acknowledging their unique experiences and the challenges they faced both during and after the war.

Sharing for our Dragon friends, family, and veterans – show your support and wear RED - Remember Everyone Deployed, RED Friday, is a powerful reminder of the sacrifices made by those deployed and the importance of community. Wearing red every Friday, students, faculty, and staff at MSU Moorhead are not only showing Dragon pride but also sending a message of appreciation and support to our military Hello,

In our Dragon community, we have over 200 military-connected students, around 55% of whom are Veterans and current Service Members. Many of them have been deployed to a range of locations. Of our Dragons currently serving, we do have at least one student who is or will be deployed.

The MSUM Bookstore has collaborated closely with our Veteran Success Team and Operation Hat Trick in recent months. We are thrilled to share that RED shirts are now in stock! Let's unite as a Dragon community and proudly flood our campus and community in red every Friday to show our unending support for those deployed.

Starting Monday, March 3rd, 2025, there will be updated customer service hours for the Beneficiary Travel and Enrollment & Eligibility offices at the Health Administration Service (HAS). Veterans will continue to receive the dedicated support they deserve during these hours:

****Beneficiary Travel**:** Available Mondays, Wednesdays, and Fridays from 12:30 PM to 3:30 PM.

****Enrollment & Eligibility**:** Available Mondays, Wednesdays, and Fridays from 8:00 AM to 4:00 PM.

Shooting Sports

We are now in the Spring Season of the MN. State Clay Target League. All the coaches have done their homework to get ready. They have taken applications, verified hunter certifications, lined up their roster, sent paperwork into the League Headquarters, and any last-minute issues that would come up.

Hopefully, the Spring weather will be O.K.. that means they hope to begin to shoot by May 1st. 2025. along with that, the Glyndon Rod and Gun, who your Post-21 supports, have prepared for the youth. All the throwing pits, throwing machines, speaker equipment, and the clubhouse is ready for the spring season. I am sure all the co-ed shooters are more than ready to bust some clay targets.

I have spoken to Brent Brinkman, the coach of the team from Glyndon Dilworth-Felton. He was unloading the shot shells for his team. The shells for the season are stored by the Glyndon Rod and Gun on-site. At this time, he has 29 youth signed up for the spring season. He has 5 more on the maybe list.

The league is looking at starting on March 30th (weather permitting); with this good weather and all the paperwork the shoot shells in storage, I am sure the youth shooter are ready and willing to get started ASAP. CO-ED Shooting Sports, part of an American Legion program. Safety remains our top priority, as always.

Moorhead American Legion Gaming Tidbits

March 20, 2025

In the past year, here at the Moorhead American Legion, we have paid out \$143,193.00 in both Property and Gaming taxes. A possible White Earth Casino has been proposed to come to our area, did you know Native American Gaming does not pay taxes! Have they donated to Veterans, youth, community, homelessness, etc.? Is this good for our community? I am deeply concerned about the impact this proposed casino would make on Charitable Gaming in our community.

Dennis Beckerleg, Gaming Manager

Post 21 Gaming Manager Position

After 19 years, Dennis Beckerleg is stepping down from his role as Gaming Manager for Post 21. Consequently, Post 21 is seeking someone to fill this position. Interested candidates must be active members with voting rights at the Moorhead American Legion, Post 21. Gaming in Minnesota is heavily regulated by the state Gambling Control Board, and Managers must adhere to all their regulations. Ensuring that Post 21 and its Gaming employees comply with these regulations is the most crucial responsibility of the Gaming Manager.

The MN Gambling Control Board provides a two-day Gambling Manager Seminar in Roseville, MN. During this seminar, new managers learn about their duties, regulations, and compliance requirements. Attendance is mandatory, and a test is administered afterward.

The position is considered part-time. We believe this individual will inherit a highly trained staff, with many having worked at Post 21 for 15-20 years or more. If interested, please reach out to Commander Paul for more information about the job. You can also contact Dennis at 701-238-1349 or the Post at 218-233-1297. Dennis is usually at the Post most mornings from 8 am to 11 am.
