## MANAGER'S CORNER

Hello Members!!

I hope you and yours had wonderful New Years celebration as we did here at the club. Wow! We did about 180 meals on New Years Eve and Rick Adams entertained us well. It didn't stop there. New Years Day was just as busy if not busier. There were over 200 people playing bingo and celebrating the New Year!! January was a very active month for Post 21. We had a chili cook-off, Hotdish contest for the Honor Flight, Land fundraiser breakfast & steak fry, Moorhead High weightlifting fundraiser, another Christmas party and KFGO with Joel Hietkamp broadcast his radio show from Post 21 as well.

Let's move on and talk a little about the Land purchase and building addition to Post 21. Things are moving forward, just not as fast as one would want them to, but that's the way it is. We have been talking to the VFW more about the wants and needs for them. Our contractor is Dietrich Construction, and we have asked the to come up with a few amended drawings that might work out better for everyone involved. This new addition is a very detailed task, and we want to do things correctly and do it the right way. So, with that being said, Tim and I will more than likely give a brief update at the Membership meeting in March. Kinda similar to what we did last fall at the membership meeting.

As for February, Giving Hearts Days (Thursday the 12th) is a very fun and busy day at Post 21. KFGO along with the Amy & JJ Radio show will be here broadcasting live from 11-2 pm. Rick Adams will be entertaining us on the 11th during Steak Night. On Sunday the 15th we will be having our annual Post Memorial Service. Every year we honor our members that have passed away the previous year with a very touching service. We can't forget about our fundraising events for Post 21 itself. On Sunday the 8 we will be having "Breakfast at the Club" from 8-12 pm. And then on Sunday the 22nd we will be having "Steak & Shrimp at the Club" from 4-7 pm. So come on out and help support our very own projects! It's going to be a bright future here at Post 21. Until next time, please keep our troops and veterans in our prayers and May God Bless You and May God Bless America!! Thank You.

Scott B. Moen, Manager

# COMMANDERS CORNER

Greetings Post!

As we're starting into the beginning of this year, there are so many different things going on. We will have just wrapped up Freezin for a reason and a few Post fundraisers. I'd like to thank everybody that has come out to all these events to make them a great success. Also, a warm welcome to Paul who came back as our gaming manager.

February will also be bringing us a couple more fundraiser breakfasts and we will have the memorial service for our members that we have lost in 2025. Prayers to all the family members who have lost somebody near and dear.

We are really excited to start a new program with the Post and the Auxiliary members. It will be a program for our elementary students about plague etiquette. Thank you to Barb and Lori from the Auxiliary and Gary Schultz from the Post. They will be heading up this new and exciting program, which will be fun to teach our young kids about the respect for our flag.

Please remember if you have not paid for your dues for 2026, we are still accepting them. We need to get our numbers up there! Let me know if anybody has any questions.

As we go forward in 2026, we find ourselves living in such a trying time. Please be kind to one another and support each other and let them have their beliefs. I'd like to give a huge kudos to our Auxiliary members who have been baking up a storm for our events the last couple months, our SAL for cooking up some amazing burgers, Monday nights, and the Riders for doing what you do. Thank you all for a great month and I cannot wait to see what February brings.

Susie Schroeder/Commander

## President's Corner

Winter greetings!

It has been a very cold January but the dedication of our Auxiliary members to participate in Post activities has kept our hearts warm!!

A huge thank you to our members that made bars for Jolinda's husband Tom's funeral and also for Lori's brother-in-law Rod's memorial service. Both services were a fitting tribute that showed how wonderful these men were.

Other thank you's go out as well to those that have helped at the card tournaments, silent auctions, bake sales, worked in the kitchen and donated money. Your help is greatly appreciated and what helps to make our Post 21 a success.

For our next meeting, which is February 2nd at 6:00 will the groundhog see his shadow?) we will be making valentines for the Veterans at the VA Hospital in Fargo. Bring scissors and any paper and Valentine's decorations you have that could be used to decorate the cards. It will be a fun night!!!

February 15th is the Post Memorial Service honoring those that have passed in the last year. It is a memorable service for the families to remember their loved ones. We will be discussing what we need to do for the service at our next meeting.

Please continue to support the Post in all ways. We have many events now that help in the expansion of our building and also with land acquisition. Not only are you financially helping when you attend but the events are really fun and a great social time!!

Our post also has events to raise money for charities in our area and members have been very generous towards these events as well. People in our community are noticing what is happening here at the Legion and we are seeing new faces all the time at the different events. Let's keep this going by helping out, telling people about the different events and showing our own support as well.

Remember to bring supplies to make Valentine's at our next meeting. Let's show our love to our Veteran's at the VA.

Barb Chamberlain, Unit 21 Auxiliary President

## UNIT 21 AUXILIARY MEMBERSHIP

Another great month for membership – Moorhead Unit 21 welcomes 5 more new members - Renae Macheledt, Ariel Matejcek, Sabrina Pederson, Kiana Matejcek and Brianna Anderson, all family members of a recent new Auxiliary member, Jane Matejcek. Thanks Jane!

The National office will be sending out reminder dues notices in early February to those members who have not yet renewed for 2026. Because that office is dealing with a national membership of roughly one million, it takes awhile to get their records up to date. If you paid your 2026 dues in the last couple months, it's quite possible you will still receive a reminder. Just check your membership card. If it says 2026, ignore the reminder. If you don't have your card handy, give me a call and I will be happy to verify your membership status. Either way, please be sure your membership is up to date – you matter!

Happy Valentine's Day!

Judy Carpenter, Membership Chairperson, 701-367-6173, [jucarpenter@earthlink.net](mailto:jucarpenter@earthlink.net)

The Cold has arrived !!! 🥶🥶🥶

But the FM Legion Riders are doing our best to brave it all !!! Staying busy definitely helps

We kicked off the month with another amazing Riders breakfast.

We participated in helping to remove the Christmas wreaths from the Fargo National Cemetery. A special thank you to Fargo Sanitation for donating a roll off container to help with the removal.

We assisted with an Unclaimed Veteran burial ceremony.

Our riders made pizzas to benefit the Post Improvement Project.

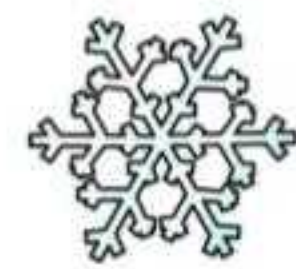

And now we're focusing on our 5th annual "Freezin for a Good Reason" fundraiser!! t's going to be epic!!!

Lots of great music, amazing food, fun and games!! All to raise money for our Veterans and area children.

Lets all stay warm and safe!!!

God bless . Marc Simonet Riders Director and Post Chaplain

## What Is a Giving Hearts Charity — and Why It Matters to Veterans

Every year, our community comes together on Giving Hearts Day to support charities that make a real difference in people's lives. Giving Hearts Day is a special time when individuals, families, and businesses donate to causes close to their hearts — helping neighbors, nonprofits, and local programs continue their important work. Around Valentine's Day, ask people to show affection to not only people they love but charities, too. More than 40,000 donors gave on Giving Hearts Day 2025. One of the most important local veteran charities is the Cass/Clay Veterans Gap Fund. This fund was created by Cass and Clay Counties as a last-resort emergency fund for veterans facing extreme hardship the Gap Fund helps veterans who are:

- Homeless or about to lose housing
- Facing eviction
- In crisis situations with no other resources
- Experiencing severe financial hardship

While federal and state programs exist, many veterans fall into “gaps” because of residency rules, timing issues, or paperwork delays. The Gap Fund fills those gaps when no other help is available. Veterans Service Officers from Cass and Clay Counties carefully review each request and work with the Fargo-Moorhead Area Foundation to provide short-term assistance such as motel stays, gift cards, and emergency support while veterans work toward long-term solutions

This assistance is once-in-a-lifetime, making every donation even more meaningful. Donations to the Cass/Clay Veterans Gap Fund are tax-deductible and go directly toward helping veterans in crisis - [https://fargo.fcsuite.com/erp/donate/create/fund?funit\\_id=1492](https://fargo.fcsuite.com/erp/donate/create/fund?funit_id=1492) - online link for contributions or they can also be mailed to:

Giving Hearts Day reminds us that small acts of generosity can create life-changing impact. Whether you give on Giving Hearts Day, throughout the year, or simply help spread the word — your support matters. This February, please consider giving to a charity that gives back to those who gave everything. Do your research and make sure your support goes to meaningful cause and that each dollar can help those in need.

We leave no veteran behind, thank you and stay warm!

Chris

# Shooting Sports

As promised, I will now write about our archery sports. As promised, I was going to write about MN State archery program (NSAP). I am going to write, about this great program, just not in the way I had planned to do.

The MN National Archery School Program, part of NASP, offers co-ed archery instruction for grades 4-12 as part of physical education. The program introduces students to all aspects of archery, including equipment, shooting techniques, and safety rules, with a strong emphasis on safety.

Nationwide, more than 200,000 youth participate in this archery program. In the previous year, hundreds of young participants competed at state-level events, while thousands took part in the National Shoot. This program tends to be particularly effective in smaller schools, likely due to the reduced number of participants, which facilitates smoother administration and operation.

As I mentioned at the beginning, I wasn't able to write this section as I had intended. An unexpected situation came up, and unfortunately, my attempt didn't go well. I had previously been told that Mhd High was using this program, but when I visited MHD HIGH, I found out they were not.

I haven't reached the MN State NASP director yet. I'll provide an update when I have more details.

FOR GOD AND COUNTRY, SINCE 1919

Gary L. Schulz
