COMMANDERS CORNER

Hello everyone.

It's hard to believe that it's the first of November; so far, Mother Nature has been good to us. We know that it can change at any moment.

Please remember to go and vote. There is a lot at stake this year at the state, local, and federal levels.

Just a reminder that our November meeting will be held at 730 PM on November 4, just after the Auxiliary Meeting.

Please check the activities calendar for this month, as we have a lot of activities happening.

Meeting membership goals is an ongoing challenge, so please keep up the good work at returning your membership renewals.

This Post's club has one of the busiest activities calendar for events happening in the FM area, this is only possible because of the great employees and volunteers that work very hard to ensure that everyone has a great time. I cannot say thank you enough for all of your hard work and dedication to this Post.

This is also a month for family gatherings, so I want to wish everyone a happy Thanksgiving; please take care and be safe.

Paul Leeman Commander

MANAGER'S CORNER

Hello Members!!

It's been a great fall so far this year with business and the weather especially. October was a good month for Post 21. As far as the kitchen goes, the new cook, Patty, is fitting in really well and helping out Sarah. Kerri is back from her summer gig, and Judy (Sarah's daughter) is also a tremendous help. So, things are going well and will only improve as things progress. Speaking of the kitchen, we have decided to bring back the "Walleye Dinner" on Tuesday nights starting Nov. 5th (election day). So after you vote, come on out and try the Walleye Dinner!

At the time I am writing this article, we are doing a little RRR project inside the club. Kevin Bakke and his boys are putting in a new tile floor in the back room where we store all the liquor and have the ice machine. We had a little tile left over from the kitchen remodel, so we are using that to cut down on the cost. This project was much needed, and one more we can cross off the list. Just a reminder: We are still accepting donations for the RRR (refresh, refurbish, and replace) fund.

To everyone out there who has donated to this fund, Thank You! The Post looks Great!!

Here we are, entering into November. Thanksgiving, decorating the club for the holiday season, and many more activities and events are planned for November. We have three bands this month and two big benefits at Post 21, along with all the bingo, pinochle, football, and breakfasts, and we can't forget about one of the most important days of the year....Veterans Day is on Monday, Nov. 11th!! Please check out the flyer for all the happenings on this special day! Regarding scheduling an event here at Post 21, I do not have but a handful of dates open till May. Please call if something comes up. "If you don't ask, you don't know". This is a busy place, but it sure is fun, and once again, "Hats off to a wonderful Staff and Volunteers."

Until next time, remember to always keep our troops and veterans in our prayers. May God Bless You and America!!

Greetings!

As November begins, we are reminded of several things. It's a month of honoring and thankfulness. Veterans Day is on November 11th, and Thanksgiving is on November 28th. The words honoring and thankfulness could be used on both of these celebrated holidays. On Veterans Day, we honor our Veterans and their branch of service, and on Thanksgiving, we are thankful for our many blessings and our family. Let's switch the meanings of the holidays around and see what they say. On Veterans Day, we are thankful for our many blessings and our family, and on Thanksgiving, we honor our Veterans and their branch of service. It fits together. Our Veterans have been responsible for our many blessings in our country and for our families to be together, and for that, we are thankful and honor them. Throughout November let's remember that as we gather with friends and family in celebration.

November 10th is also the birthday of the American Legion Auxiliary. The Auxiliary was first established in 1919, and the first National Convention of the Auxiliary was held in Kanas City, Missouri, in 1921. This is the 105th birthday of the American Legion Auxiliary. The Mission Statement of the Auxiliary: In the spirit of Service, Not Self, the mission of the American Legion Auxiliary is to support The American Legion and honor the sacrifice of those who serve by enhancing the lives of our Veterans, military, and their families, both at home and abroad. For God and Country, we advocate for Veterans, educate our citizens, mentor youth, and promote patriotism, good citizenship, peace, and security.

This month, our Unit meeting is on November 4th at 6:00 PM. We welcome all to our meetings, and if you are thinking of becoming a member, we invite you to come to a meeting where you will be welcomed by our members. Last month, our meeting was a potluck, and we had many great choices on the buffet! We had lots to talk about in the meeting, and this coming year will be a busy and rewarding one as we work together with our Legion family. Becky and Pam presented a check for \$1,200 they earned while working at the Fargo Air Show this summer. The Auxiliary members voted to add \$300 to up the check to \$1500! This money will be used to buy personal needs in the Moorhead Schools for students and also backpacks. Thank you, Becky and Pam, for your dedication and the work you did to receive this money for our organization.

Becky and I attended a 9th District meeting in Bagley on October 19th. It was very informative, and we learned a lot about the different committees that we will be able to share at the next meeting. At our last meeting, we had sign-ups for the different committees, and we had a lot of interest. We will continue to present this opportunity to the committees so that our Unit can continue to grow and work with the mission of the American Legion Auxiliary.

Let's all continue to honor and be thankful to all our Veterans as we celebrate this month with our families and friends.

Barb Chamberlain, Unit 21 Auxiliary President

UNIT 21 AUXILIARY MEMBERSHIP

We have another new member this month – Moorhead Unit 21 welcomes Renai Ehrichs. Each new member is a valuable addition to our Unit, and it's important that we continue working to keep our membership growing. Every Legion member has several people who are eligible for Auxiliary membership - spouse, daughter, granddaughter, mother, sister. They don't have to live in Moorhead. We have members all over the country. Don't forget that female veterans are eligible for Auxiliary membership through their own service. Please think about your own family and how many members you could get signed up. Every membership matters!

Our Minnesota state membership chairman is asking that each Unit meet 75% of its membership goal by December 7. As I write this article, it's 60° today, so December seems a long way away, but it's next month—just a few short weeks—and we still need 36 new or renewed memberships to meet that percentage deadline. If you haven't renewed yet for 2025, please consider doing so soon.

Time is running short to get your Early Bird stamp. If you pay your 2025 dues on or before Veteran's Day (November 11), your membership card will be marked with an Early Bird stamp, which is good for one free drink at the Moorhead Legion.

Remember to thank a veteran on Veteran's Day (and every day), and have a wonderful Thanksgiving!

Judy Carpenter, Membership Chairperson,

It is hard to believe that it has been Five years since we started doing internments/burials at the Fargo National Cemetery. The figures for this month's newsletter are from 13 October 2019 thru 30 September 2024.

There are 253 urns in the Columbarium, 558 urns in the ground, 27 caskets in the private vaults, 234 caskets in the Government vaults, and 2 plaques on the Memorial Wall, FOR A TOTAL OF 1,074 INTERNMENTS/BURIALS AT THE FARGO NATIONAL CEMETERY.

WHAT DID ONE ELEVATOR SAY TO THE OTHER ELEVATOR?

THIS INCLUDES 853 VETERANS AND 221 SPOUSES, FOR A TOTAL OF 1,074. THERE ARE 124 COUPLES INTERRED/BURIED AT THE FARGO NATIONAL CEMETARY.

THE breakdown per branch of service is as follows: Army—440, Navy – 176, US Marine Corps—66, US Air Force -173, ARMYAF—4, and Spouses—221, for a total of 1,074 internments/burials.

During the month of September, the Fargo Memorial Honor Guard conducted 23 Internment/Burials for 321 volunteer hours. Our yearly volunteer hours are 2019 = 966, 2020 = 2,072, 2021 = 3,373, 2022 = 2,798, 2023 = 2,557, and 2024 = 2,614. WE HAVE ADDED THREE NEW MEMBERS TO THE FARGO MEMORIAL HONOR GUARD. WELCOME TO - LARRY ASMAS, BRAD TEBERG AND ALLEN LIEBERG. CONGRATULATIONS!! WE STILL HAVE ROOM FOR MORE NEW MEMBERS.

THERE HAVE BEEN A NUMBER OF VETERAN INTERNMENTS/BURIALS IN THE AREA - LOCAL CHURCHES AND COMMUNITY CEMETERIES.

I THINK THAT I AM COMING DOWN WITH SOMETHING!

The Fargo Memorial Honor Guard has performed Military Honors in all types of weather. The FM Honor Guard WILL NEVER cancel a Veteran's internment because of bad weather. The family has to make that decision.

We are always looking for new members to join the Fargo Memorial Honor Guard. If you are interested or have questions, please call Marvin J. Nicklay at 701 - 371 - 0604 or email me at mjnicklayupb@gmail.com.

Be Careful- Be Safe - Wear Your Mask! Take care, and GOD BLESS. Marvin J. Nicklay, Rifle Squad Commander

Redesigned Airborne Hazards and Open Burn Pit Registry

On August 1, 2024, the U.S. Department of Veterans Affairs (VA) launched the redesigned Airborne Hazards and Open Burn Pit Registry (the Burn Pit Registry).

The registry is an important research tool that enables VA to identify and study health challenges spanning the Veteran and service member population as a whole – providing Veterans and service members of this generation an opportunity to help improve the care and benefits of Veterans and service members in generations to come. Ultimately, the registry is a database that combines Veteran and service member data to help VA better understand, research, and ultimately improve treatment and benefit options for the health challenges experienced by Veterans and service members exposed to airborne hazards and burn pits during their military service.

Importantly, participation in the registry is optional and does not impact nor determine eligibility for VA health care or benefits.

If you meet the eligibility criteria listed below, there is no action required by you – you will be included. However, if you do not wish to be included in the registry, you can opt out anytime by submitting an "opt out inquiry" at <https://vethome.va.gov/BurnPitRegistryOptOut/> Important updates to the registry include:

- The automatic inclusion of 4.7 million Veterans and service members who, according to U.S.
- Department of Defense (DOD) records, meet the participation criteria outlined below.
- The removal of a cumbersome 144-question registry questionnaire.
- Establishment of an easy registry opt-out process.
- Veterans and service members (living or deceased) who, per DOD records, served in the military

Veterans Service Officer - Continued

- campaigns or theater of operations listed below from August 2, 1990, through August 31, 2021, will be automatically included:
- Operations and Campaigns: Desert Shield and Desert Storm (ODS/S); Iraqi Freedom (OIF); Enduring Freedom (OEF); and New Dawn (OND)
- Bahrain, Iraq, Kuwait, Oman, Qatar, Saudi Arabia, Somalia, United Arab Emirates, Gulf of Aden, Gulf of Oman, and waters of the Persian Gulf, Arabian Sea, and Red Sea
- The Southwest Asia theater of military operations and Egypt
- Afghanistan, Djibouti, Jordan, Lebanon, Syria, Uzbekistan, or Yemen any time after September 11, 2001
- Associated airspaces of the countries and bodies of water listed above
- Please note that if you've already begun enrollment in the Burn Pit Registry, thank you for the steps you've taken, and no further action is required. You will have already been enrolled in the redesigned registry if you are eligible.
- Veterans can check their status by contacting their local Environmental Health Coordinator. Active-duty service members can check their status at <https://vethome.va.gov/inquiry>
- We look forward to sharing the Burn Pit Registry's future research findings and the better future made possible by the nearly 4.7 million Veterans and service members participating. Thank you for your service and for helping VA provide better care to all Veterans.

Shooting Sports

This fall season for the MN. State High School Clay Target League has now ended, as I said last month. The kids now use what they learned this summer to join family hunting trips and enjoy the friends and family camaraderie. The kids are now thinking of the spring shooting season.

I am now talking to the VOLUNTEER Head Coaches to learn about their teams this year. This month, I spoke to coach Brent Brinkman from the DGF shooting team; Brent said they had 33 CO-ED shooters who competed this fall. They did well and had a ball. Of those 33 shooters, 20 went on to shoot in the MN State Shoot in Alexandria, MN. That shoot takes over 12 weeks to complete. The reason is that over 10,000 kids from throughout the state compete yearly. This, again, is for individual and team honors. This is a big deal for the kids. Like the shoots at the Glyndon Rod and Gun, SAFETY is the top priority.

Of those 20 State shooters, 5 went on to shoot at the National shoot in Michigan, and They again represented DGF and GRG very well. We should be very proud of these area youth.

Coach Brinkman also said that all the volunteer coaches' work is worth it to see the smiles. The smiles come from the Kids when they get their first 20 or 25 hits out of 25 shots. It's also the smiles of the parents, grandparents, and family members. A few shooters got their perfect 25-patch this year. Brent was very happy to see the team's camaraderie.

Next month will be a different team report.
